- II. Cody drafted some MAP and rules graphics for the Kiosk at Johnny Behind Rocks. They looked good. They were reviewed and approved.
- III. Mortimore- as far as we know official planning is being drafted with a pathway. Where it will go from there, nobody knows.
- IV. REV Cowboy Tough Adventure Race- July 17<sup>th</sup>-20<sup>th</sup>)  
(<http://www.rev3adventure.com/race/rev3cowboytough/>) - Shad is part of a Lander, Fremont County 4 person team (Casey Adams (team Capt), Chuck Schuster and Karla Wagner are the other members). Other teams might be in the works as well. There are several other interested people. He asked for support from the club. This race starts in South Pass or Atlantic City this year and goes through Lander. Beyond that, it covers over 300 miles and ends in Casper. Most of the miles covered are on bikes... but there is trekking and paddling and other stuff involved. Details, as far as what kind of support is needed is not known yet. The race is long and expensive (\$1000.00 per head). Support could come in cash, jerseys or fundraising efforts. More specific information should be ready by February.
